You've heard a lot about vertical tillage tools and fact is some sure don't add up to expectations. Here's one that does the CIH 330 TURBO talk to someone that has one or stop by our stores and we will show you why ours does the job. Best sales programs of the year during **THE BIG RED EVENT**. If your needs are more toward a new Disk Harrow, we have the CIH RMX 340 Tandem Disk. Case IH Tillage Products "A Better Seed Bed Preparation" and Great Sales Programs in effect now.

1. Slices Tough BT Residue
The 330 Turbo blade will cut the tough residue in one pass, delivering a seed bed without standing stalks or shallow wheel tracks. Use the 330 Turbo to remove corn root balls and mix and anchor residue into the soil to promote breakdown.

2. Improves Soil Tilth
Front and rear Turbo blades interact to remove compaction and aerate the soil without leaving troughs, humps, or holes. Soil crusts are removed and residue and chemicals are evenly mixed into the soil.

3. Uproots Weeds
The 330 Turbo is capable of handling Spring weeds and does not become tangled. Young weed seedlings are uprooted and left to desiccate on the soil surface.

4. Levels The Soil Prior To Planting
The 330 Turbo produces a level seed bed allowing planter row units to glide through the field with greater ease and minimal bounce. The level surface also promotes more even plant emergence.

REAL ESTATE & PERSONAL PROPERTY AUCTION 17000 Hwy. Z at Centralia, MO

Friday - October 22, 2010 starts at 10:00 AM

LOCATION: From Columbia, MO take Hwy. Z north 16 miles OR from Centralia, MO take Hwy. Z south 4 miles OR from Mexico, MO take Hwy. FF west 14 miles to sale.

Harold and Faye had three daughters all of which live out of the area and have no desire to move back to Centralia, therefore they will sell the following real estate and personal property. Come out the day of the auction and visit. I know they will enjoy seeing their family's old friends.

REAL ESTATE to sell at 12:00 Noon

REAL ESTATE consists of 2.6 acres at the corner of Highway Z and Highway FF just 4 miles south of Centralia, MO. Improvements on this property consist of the main house, built in 1963, a smaller house, a very functional detached Bilt Rite shop, along with beautiful mature trees and an established lawn.

The main home is a two story frame house with 2,544 sq. feet that includes four bedrooms upstairs, two and one-half baths, a full basement and nice screened in back porch. The main floor has a formal dining and living room, a sunken family room will a full masonry fireplace, the kitchen with built-in appliances and dark wood cabinets and there is a two car garage with new doors and automatic openers. The upstairs has three nice size bedrooms and one full bath and a master bedroom with its own full bath.

The home originally had electric baseboard heat which is still in place, however it has more recently had a Lennox high efficiency natural gas furnace installed with central air conditioning unit and air purifier.

The home has thermal pane windows, shingled roof, brick and vinyl siding and an asphalt circle driveway with concrete apron in front of the garage doors.

The home has lots of nice amenities such as six panel wood doors, a whole house intercom system and carpet, vinyl and Parkay floors throughout. There is a walk-out basement which has had some work done on it including installation of a sump pump.

The main house is in ready to move in condition, clean, functional and comfortable.

The second house is a 832 sq. foot frame house located on the east side of the property that is currently being used as a rental house. The detached workshop is a wood frame building with metal roof and sides, insulated, heated, fully wired with walk-in and garage doors and concrete floor. This is a perfect addition for garage space or as a workshop.

TERMS: 10% down day of sale with the remaining balance due at closing within 30 days. Seller will provide title insurance. Taxes for 2010 will be prorated to the date of closing. Possession will be given at closing.
